

Tuition & Fees

2026-2027 Season

- Tuition rates are determined by a family's total number of weekly class hours.
- Tuition rates are automatically discounted for families taking two or more class hours per week.
- Tuition is billed in four equal quarterly installments and processed automatically using the credit or bank card saved to your studio account.
- Families can choose to pay by check, cash, or Zelle prior to the start of each quarter. A current credit or bank card must still be kept on the studio account. If an alternate payment is not received by the 5th day of the quarter, tuition will be charged to the card on file.
- Optional payment plans are available. Please contact the studio for more information.
- Tuition can be prorated for students who enroll after the start of the new dance season.
- Accounts that remain unpaid after 10 days are subject to a \$25 late fee each month.
- There is a \$25 fee for all returned checks.
- A \$15 card-update fee will be charged for any tuition payment that fails due to an expired or invalid card on file. Updated payment information must be provided within 48 hours to avoid late fees.
- Tuition is non-refundable once a class has begun. If a student withdraws, class credit may be issued. Medical or injury credits are available with an official doctor's note.
