THE PERFORMING ARTS CENTER @ HARPER COLLEGE

1200 W. Algonquin Road
Palatine, IL 60067
(847) 925-6000

From the Algonquin Road entrance, The Performing Arts Center will be the first building on the right.

Dress Rehearsal

Dancers are required to attend their class rehearsals according to the schedule, which will be provided in May. Dancers do not need to attend the entire day's rehearsal. Full costumes, hair, makeup, tights and correct shoes should be worn. Dress rehearsal is the only time the sound and lighting crew will work with each class to set their dance before the show. Dress rehearsal also allows the dancers to become familiar with the stage and surrounding environment. This will give dancers an idea of what the recital will be like, therefore easing any pre-show jitters.

It is important for students to remain seated in the auditorium during their scheduled rehearsal time unless they are changing costumes. This will help keep the rehearsal running smoothly and will also give the dancers a chance to watch a portion of the show.

Recital Performances

On the evening of each recital performance, dancers are to remain with their class in the supervised dressing rooms. Only designated volunteers will be allowed in the dressing rooms. Younger dancers may bring quiet, non-messy activities such as coloring or activity books or card games. There will also be a movie for dancers to watch backstage when they are not performing.

Volunteers Needed for Dress Rehearsal and Recital

We are in need of many volunteers to help our show run smoothly. We will need backstage and dressing room volunteers, door ushers & bake sale helpers. A volunteer sign-up list will be available in May. **Dance Company** parents are required to volunteer at least once, either for the dress rehearsal or one of the shows.

Recital T-shirts

Every year the studio offers souvenir recital t-shirts. The t-shirt will feature a cast list with all of the student and staff names on the back along with an exclusive recital design on the front. Pre-ordering a t-shirt is highly recommended because only a few extra shirts will be available for purchase after the order has been placed.

Not sure what size to order? Sample sizes are available at the studio.

See the attached order form. **Orders are due Saturday, April 9th.**

Recital Music For Home Practice

It is important that students practice their dances at home when they are not in class. Each class will have direct access to their recital music through their online family portal. We are currently in the process of uploading music files to each class and hope to have all songs available by the first week in April .

To access your recital music: Log in to your family account through the online registration system on the studio website. Under “My Classes” select the “View Class Documents” option and you will find the music files for each class you are registered for. This option will allow you to play your class music through your computer, smart phone or tablet.

Recital Pictures

Picture day will be at the studio on Sunday, June 12th. The picture day schedule and order forms will be available mid-May. We would like everyone to attend picture day so that we can get complete class pictures for our studio display. Please come and participate even if you do not plan to purchase a photo package.

Recital Tickets

Tickets for families and friends will go on sale starting Monday, May 16th. Additional ticket information will be available at the beginning of May.

Recital DVD's

All three performances will be professionally recorded. Order forms will be provided in May.

Per the contract with the videographer, personal photography and videotaping during the shows will be prohibited. The lights from the LED displays of smart phones and tablets interfere with the professional equipment. In addition, the flashes from cameras distract the dancers.

Parents are invited to videotape the dress rehearsal.

Calling All Dads, Grandpas, Uncles, Older Brothers

Studio Cast Party!!

Please join us for a year-end recital celebration at Fuddrucker's in Schaumburg on Wednesday, June 15th immediately following the show. Everyone from all three casts is invited: dancers, family and friends!

2016 RECITAL CASTS

Please refer to the cast lists below to determine when your class is performing. All classes will perform in one of the shows with the exception of the Dance Company and the most advanced classes.

Countless hours are spent selecting the casts. We take students' back-to-back classes and multiple classes as well as siblings into consideration. We try extremely hard to accommodate as many students and families as we can, however it is impossible to accommodate all classes, students and siblings.

**CALLING ALL DADS,
GRANDPAS, UNCLES, OR OLDER BROTHERS!!**

Join your dancer on stage for a special dance in our recital. As tradition goes, the men will dance on stage for a portion of the song and then dance with their dancer for a portion of the song. This is a great bonding opportunity for dads and their dancers. This dance is always a crowd pleaser and a lot of fun!

Rehearsals will take place on Saturdays (late mornings/early afternoons) starting May 14th through June 11th. We will try to work around conflicts for students in Saturday classes. We can also add several rehearsals to Monday and Wednesday evenings after 8:15pm if necessary. Guys can attend as many rehearsals as needed to learn and feel comfortable with the choreography.

If you're interested, please fill out the form below and return it to the studio.

If you have any questions, email: Lisa@danceproject5678.com

Or call the studio (847) 991-3117.
